Dear Member,

Thank you for transferring to Acoura for your Red Tractor Beef and Lamb assurance, we look forward to working with you.

The following is important information about the transfer. If you have any queries at all please contact us on +44(0)131 335 6605.

Your latest Acoura Certificate is attached if you require any new farm assurance stickers please contact Acoura.

Has my membership number changed? Your number is exactly the same as it was with your previous Certification Body unless we have informed you to the contrary.

How will my buyer know that I am assured? Your membership status and details will be on the Red Tractor checker which is used by markets and abattoirs to check that you are assured. The only difference will be that it details Acoura as the Certification Body.

What if I have a problem when selling stock? Please feel free to give the Acoura contact details to the relevant person and we will discuss any queries with them or you.

I have bought sheep but they were not on my original application, what do I do? Please contact us to discuss.

When will I pay for membership? This will be when your renewal is due. For example if your scheme renewal is due on 1st August 2014 we will invoice you in preparation for that date.

What is the difference between minor beef and major beef? If you only sell cull cows and less than 10 other beef cattle you are a minor beef member but if you want to add sheep to this you become a major beef member.

If you have cull cows and sell more than 10 other animals over 6 months of age you are a major beef member.
